

IG #1 Vision

Our IG is dedicated to building meaningful relationships through intentional conversations and authenticity. We aim to grow together in faith and nurture a culture of loving prayer, reinforcing our commitment to unity and compassion.

Building Relationships Through Intentional Conversations and Authenticity

Ephesians 4:25 ESV

Therefore, having put away falsehood, let each one of you speak the truth with his neighbor, for we are members one of another.

We want members of our IG to feel comfortable with being vulnerable and willing to share about all facets of their lives. We recognize this is difficult, but we will promote vulnerability by leading by example.

How this will be done:

- Using Ice-Breakers and other activities to help members get to know one another
- Have time dedicated to sharing first in small groups, then in larger groups
- Leading by example and being prepared to be vulnerable and have intentional conversations with the members of our IG
- Following up with events and prayer requests from members of our IG

Grow in Faith Together to be More Christ-like

Hebrews 10:25 ESV

Not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near.

Our IG will be used as a place to encourage one another to stay committed to CCF, to church, and especially to Christ himself.

How this will be done

- Sending short messages to members of our IG when they are missing from CCF.
- Ensuring that everyone at our IG has a home church.

Proverbs 27:17 ESV

Iron sharpens iron, and one man sharpens another.

CCF is a place where Christians of different denominations are unified by our love of God. We will have differences in opinions and beliefs, but through discussions, these opinions can be leveraged to sharpen one another in Christ and to help each one of us develop a clearer and more rounded understanding of Christ.

How this will be done:

- Facilitating thoughtful discussions on Bible topics.
- As IG leaders we will prepare thoughtful questions and ideas that look to spark a discussion.
- Be theologically prepared to ensure that the fundamentals of Christianity are not miscommunicated.

Facilitate and Practice a Loving Prayer Culture

Philippians 4:6 NIV

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God.

As Christians, we are invited to have the privilege with talking personally with our God. We hope to encourage one another to practice praying with and for our fellow brothers & sisters in Christ in any given opportunity. Student life is filled with many hardships and joys alike that can be shared with other siblings in Christ to both support & rejoice together. Our goal is to revive a positive, authentic prayer culture & to encourage practicing this spiritual discipline.

How this will be done:

- Creating many opportunities for prayer requests to be shared.
- Re-introducing how to pray
- Encouraging others to pray with & for one another during & outside of CCF.
- Keeping one another accountable to grow in this spiritual discipline.

1 Thessalonians 5:16-18 NIV

Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus.
