

IG5's Vision: Interconnected Journeys Into Faith

We envision IG5 delving deeper into our faith and identity in Christ by growing closer to each other. We believe that fellowship is an integral cornerstone to growing one's faith. Many a time, Bible study groups neglect the importance of fellowship and solely focus on the word. However, the bible mentions over and over again the significance of fellowship and its impact on spiritual growth. In Hebrews 10:25 it says:

²⁵ Not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near.

To foster a family-like and faith centred IG, we plan on hosting activities outside of our formal IG nights that will give us more chances to hang out together. This includes consistent weekly or monthly activities ranging from studying together, going to the gym together, skating, bouldering and hosted dinner parties. With the aforementioned consistency, the hope is for the group to bond with one another through shared experiences. Additionally we plan to utilise our IG's chat to the fullest.

As your IG leaders, we want to ultimately build a family out of our group. Through our activities we hope to foster an uplifting, comfortable and vulnerable space for members to share their spiritual journeys with. We want our members to feel a sense of belonging– that no matter their hardships, anxieties, and or failures, they are able to come together and rely on each other for spiritual support. Through nurturing such an atmosphere we hope that it will help strengthen member's prayer lives collectively and also individually– utilising the tool to not only reflect on what we study, but to allow God to work in our day to day.

Ultimately, our desire for IG5 is for members to strive to grow closer in fellowship with one another and closer to Christ.

Love,
Emily & Mathea ♥
